

## **Family News**

In a little over a week, our son Wesley will be a one year old! We are so thankful to the Lord for giving us a son, and he is certainly a joy to his sisters as well as Becky and I. Teryn is a loveable four year old and is enjoying preschool this year in an Inuktitut speaking class. Alayna is a very active seven year old. She loves ice skating, drawing, and playing outside with her friends. Hayleigh is an incredibly helpful eleven year old. She is very good with her three younger siblings, and enjoys ice skating and reading as well.

## **Becky's Citizenship**

Some exciting news is that we are now in the process of finalizing Becky's Canadian citizenship! The extremely detailed application as well as the \$630 fee, was sent in in the Fall, and we expected that many months would pass until we heard any information about it. We were surprised to receive the news that she will be having her citizenship test sometime in May. Please pray that all would go well with the test and subsequent interview.

## **Ministry Update**

This has been a rather slow winter with seemingly low interest and commitment among some folks to attend the services. We have had some recent visitors to the addiction program as well as the church services, so that has been encouraging, but we have not seen the growth (numerically and spiritually) that we have hoped for. We definitely need God to "break-through" into the hardened hearts, and draw people to Himself. I have continued to lead the addiction program at our local correctional facility and am thankful for more opportunities to share God's truth there. Please continue your prayers for those different facets of our ministry, and for us to continue faithfully serving the Lord despite the few visible "results". We are looking forward to our upcoming furlough so we can reconnect with our supporters, and get some needed rejuvenation and recharging to continue the Lord's work here. We praise God that the ministry will be covered for two-thirds of the time that we are away, but we are still in need of a man/couple/family to come and fill-in for us for the first part of our furlough. Please continue to pray about this urgent need.

Thank you for your faithful support and prayer for our family – it is very much appreciated!

Serving the Saviour,

*Nathan Jones and family*
